This device corresponds to requirements stipulated in 2006/95/EC and features radio interference suppression in compliance with valid EC Regulation 2004/108/EC.		Cet appareil correspond aux exigences selon la norme 2006/95/EC et est déparasité conformément à la directive de la 2004/108/EC en vigueur.		Questo apparecchio corrisponde ai requisiti richiesti della norme 2006/95/EC ed è protetto contro i radiodisturbi in conformità alla vigente direttiva 2004/108/EC.		Dit apparaat voldoet aan de eisen conform 2006/95/EC en is ontstoord overeenkomstig de geldende EG-richtlijn 2004/108/EC.		Dette apparat opfylder kravene jf. 2006/95/EC og er støjdempet i henhold til gældende EF-direktiv 2004/108/EC.		Anmärkning: Under extrem påverkan av elektromagnetism t.ex. om en radioanläggning används i omedelbar närhet av apparaten kan mätarens utslag påverkas. Efter det att störingskällan undanröjts kan produkten åter användas enligt föreskrifterna, i förekommande fall kan den behöva slås på på nytt.		Este aparato satisface los requerimientos de la directiva 2006/95/EC y tiene supresión antiparasitaria según la directiva CEE vigente 2004/108/EC.		A készülék megfelel a 2006/95/EC követelményeknek, és az érvényes 2004/108/EC. számú EK-irányelvnek megfelelően rádiózavarmentesített.		Laite on direktiivin 2006/95/EC sekä voimassa olevan häiriönpoistoa koskevan EU-direktiivin 2004/108/EC mukainen.		Este aparelho corresponde às prescrições, em conformidade com a directiva 2006/95/EC e é desparasitado, de acordo com a directiva da CE 2004/108/EC em vigor.					
Hinweis: Unter extremen elektromagnetischen Einflüssen z.B. bei Betreiben eines Funkgerätes in unmittelbarer Nähe des Gerätes kann eine Beeinflussung des Anzeigewertes verursacht werden. Nach Ende des Störeinflusses ist das Produkt wieder bestimmungsgemäß benutzbar, ggfs. ist ein Wiedereinschalten erforderlich.		Note: The displayed value may be adversely affected under extreme electromagnetic influences, e.g. when using a radio unit in the immediate vicinity of the device. Once the interference has been rectified, the product can once again be used for its intended purpose. The device may have to be switched on again.		Remarque: En présence d'influences électromagnétiques extrêmes, par exemple en cas de fonctionnement d'un poste de radio à proximité immédiate de l'appareil, la valeur d'affichage risque d'être influencée. Après disparition de l'influence perturbatrice, le produit peut de nouveau être utilisé conformément à sa destination. Le cas échéant, il peut être nécessaire de le remettre en marche.		Avvertenza: in presenza di forti interferenze elettromagnetiche, quali l'uso di un radiotrasmettitore nelle immediata vicinanza dell'apparecchio stesso, è possibile che il valore dell'indicatore venga influenzato. Una volta eliminato il disturbo, l'apparecchio è di nuovo utilizzabile allo scopo previsto, eventualmente occorre riaccenderlo.		Opmerking: Onder extreme elektromagnetische invloeden, b.v. bij het gebruik van een mobilfoon in de direkte omgeving van het apparaat, kan de weergegeven waarde worden beïnvloed. Na beëindiging van de storende invloed kan het product weer correct worden gebruikt, eventueel dient het opnieuw te worden ingeschakeld.		Information: Alle batterier, som vi leverer fra fabrik, er miljøvenlige!		Information: Alla batterier som medföljer vid leverans från fabriken har låga halter av miljöfarliga ämnen!		Observera: Miljöfarliga batterier är märkta på följande sätt: Pb = batteriet innehåller bly Cd = batteriet innehåller kadmium Hg = batteriet innehåller kvicksilv		Nota: Bajo extremas influencias electromagnéticas, p. ej. durante el funcionamiento de un radiotransmisor directamente cerca del aparato, puede originarse una alteración en el valor indicado. Tras cesar la influencia perturbadora, se podrá utilizar nuevamente el producto según los fines previstos. En caso necesario, se tendrá que reactivar el aparato.		Tájékoztató: Valamennyi, a készülékhez gyárilag mellékelt elemünk igen kevés káros anyagot tartalmaz!		Huomautus: Kaikki tehtaaltamme toimitettavat paristot sisältävät vain vähän haitallisia aineita!		Observação: Sofrendo influências eletromagnéticas extremas, p.ex., oriundas de um transmissor de rádio de proximidade imediata, pode ocorrer uma indicação falsa do valor apresentado. Terminadas as influências, o produto volta a operar corretamente. Eventualmente deve ser religado.		Informação: Todas as pilhas fornecidas pela fábrica contêm poucas substâncias nocivas!	
Information: Alle unsere werkseitig mitgelieferten Batterien sind schadstoffarm.		For your information: All batteries supplied by the manufacturer are low-polluting.
