

Application:

Multi-Gyn FemiWash cleanses and refreshes the intimate area. It is extremely mild, safe and non-irritating even for the most sensitive tissue. FemiWash is ideal for your daily intimate hygiene. It is soap-free and pH-balanced with respect for the natural flora.

**SOAP-FREE WASHING EMULSION
FOR EXTERNAL USE IN THE INTIMATE AREA**

**EXTREMELY MILD,
SAFE AND NON-IRRITATING**

**PH-BALANCED, NO PERFUMES,
NO PRESERVATIVES**

BASED ON THE PATENTED 2QR-COMPLEX

Directions for use:

Press the pump-foamer to apply some concentrated FemiWash on your hand. Gently spread it over the intimate area and wash with water. FemiWash can also be used for other sensitive parts of the body. The unique formula of Multi-Gyn FemiWash leaves your skin feeling as soft as silk.
