Ultra Quiet

DIGITAL ULTRASONIC COOL & WARM MIST HUMIDIFIER with Negative Ions **HF 758**

With Heaven Fresh 758 Ultrasonic Humidifier you can now breathe easier with an option to choose between cool and warm mist. In addition the unit produces healthy negative ions to purify the air while providing a restful sleep. Advanced Japanese filter demineralizes water to remove scale-forming Calcium and Magnesium from hard water and prevents white dust from depositing into the air.

FEATURES

- Dual jets for broader spray mist coverage.
- Healthy negative ions to purify the air while providing a restful sleep.
- Simple, easy-to-use, one-touch timer control for up to 12 hours of operation.
- Safely and automatically shuts off when it runs out of water.
- Select either cold or warm spray mist.
- Large capacity water tank (5L/1.25 gallon).
- Consumes less power than a 40 watt light bulb
- With digital display and remote control for ease of use.
- Tinted night light for better sleep.
- Pre-heating the water to eliminate bacteria and viruses in the water.
- Innovative flat design to save space
