

Kegel8 Dilator Comfort Gel is formulated to make dilator use more comfortable. The water based, body friendly formula helps to maximise your comfort as you work with your dilators.

Directions for use:

Liberally apply to your dilator and skin before use vaginally or anally. Reapply as necessary.

First timers:

Before using for the first time, apply a small amount to your forearm. If an allergic reaction occurs, discontinue use.

Best before use/Batch number:

see package.
