PROFESSIONAL STRENGTH

Professional Strength®: The strongest, safest and most effective cleaning products for professional results. Whatever problem you have Professional Strength has the perfect cleaning and odour destroying solution. Not only are our specialist formulas powerful they are also the safest giving you the peace of mind to use them in and around your home.

Professional Strength - the no-nonsense British brand that the professionals don't want you to know about.

DIRECTIONS FOR USE:

Spray make-up stain, leave for a few minutes and gently sponge off. Repeat as necessary. Please remember, probiotic cleaning does not use harsh chemicals, so it is perfect for all fabrics, including silk, cashmere and delicates.

Can also be used as a pre-wash make-up remover spray for all make-up stains. Spray stained area before washing and leave a few minutes for the probiotic enzymes to do their stain-busting stuff. This spray is suitable on all wash cycles, including low temperature, delicate and wool wash.
