

Unique or Added Value Features

EZ-Reach™ Ankle System

Extended handle with triple-lock security reduces bending and straining when securing the ankles. Wrap-around Ankle Cups provide maximum support & comfort. Foot platform dials up or down for a customized fit.

EZ-Stretch™ Traction Handles

Offer multiple uses, including added stretching and decompression options, easy oscillation assistance and a simple release option from full inversion.

Large Stretch Max™ Handles

Our largest handles feature an extra-long grip surface to assist new users and provide enhanced stretching options for more experienced inverters.

Innovative ComforTrak™ Bed

Smooth surface reduces friction for optimum decompression & flexes with the user for comfort. Features Grip-and-Stretch™ hand holds for added stretching options. Head pillow included.

Built for the Benefits

Reliable, Trustworthy Performance

The Teeter is an FDA-cleared Class 1 medical device indicated for back pain and related conditions. UL Listed Label demonstrates independent certification to meet the toughest quality standards. Trust Teeter for unmatched quality with a 35-year legacy, industry leading 5-year full warranty and easy 13 min. assembly.

Patented Security Features

Auto-locking hinges, cam locks, specialized pivot bearings and heat-treated steel parts ensure durability and reliability.

Precisely Balanced with Pre-Set Rotation Control

Unique design provides smooth, controlled rotation with minimal effort and allows for secure lockout in full inversion with option to perform inverted exercises. Adjustable tether allows for pre-determined maximum angle of inversion.

Stable Base & Quick-Fold Storage

The heavy-duty steel base with scratch-resistant finish features stability feet that help protect floors. Folds easily for storage, no disassembly required.
