NaturoPure™ Dehumidifier

With Germ Killing UV

HF 610

Heaven Fresh HF 610 is a smart, sleek and innovative dehumidifier specifically designed to fit your lifestyle and decor. It is a perfect machine to protect your home from mould and mildew by removing the excess moisture from the air. The water tank capacity of the unit is 5.5L (12 pints) and you have to option to set the unit to continuously drain the water. All you have to do is to connect the drain hole with a water tube and place the unit near a drainage point.

FEATURES

- 44 pint (20 L) per day capacity dehumidifier.
- 11.6 pint (5.5 L) removable water tank capacity.
- Adjustable humidity range of 50% - 80% relative humidity.
- Direct drain option for continuous operation.
- Dual fan speeds and 24 hour timer function.
- Activated carbon filter and washable pre-filter included.
- Noise level below 49 dBA on high setting.
- Easy to use control panel and electronic controls to ensure simple navigation of settings.
- Automatic shut off safety feature.
- Digital display to see humidity, timer, fan speed and temperature at a glance.
- Lightweight rotary compressor and concealed casters for portability.
