SEEING IS BELIEVING

HAIRMAX®

FEMALE - was experiencing diffused thinning on the vertex of her scalp. At completion of the clinical study, the hair regrew to cover her scalp and the density and fullness of her hair was significantly improved.

MALE - extensive hair loss in the vertex area of his scalp. At completion of the clinical study, denser hair is seen with much less scalp showing through and balding areas less pronounced.

FEMALE - significant hair loss at the temporal area. At completion of the clinical study the target area has shown significant new hair growth.

MALE - typical male pattern baldness on top of the scalp. After 26 weeks of using the LaserComb in combination with **for den•si•ty** collection, the area has filled in with new hair growth.

In Their Own Words

"I immediately began to see obvious hair growth along my hairline! This is a very exciting development! It is hard to describe how happy I was to see new hair coming back. My confidence in my appearance is slowly returning. I highly recommend the HairMax LaserComb. I should also mention that I recently purchased the HairMax Vitamins, the shampoo/conditioner/topical solution, and the hair fibers. I feel that the HairMax product line is a winning combination, responsible for my new hair growth." Vivien K. ●●●

"I just wanted to say thank you to everyone involved with the laser comb. You have changed my life and made me so happy. Thank You. I will recommend the comb to the hair dressers I am finally going to go to." Phillip C. ●●●

"I have been using the laser comb for 5 months and have already begun to see results. In the battle against hair loss, it's been great to use a product that is so easy to use and has been clinically proven. It has certainly helped me to maintain the hair that I have." Marc M. ●●●

"Just in 2 months of using the LaserComb, my hair has stopped falling out, and is growing back. I am so excited about your product I am telling everyone. I also love your shampoo and conditioner. I again, have tried everything, even the expensive Beverly Hills stuff. Your products are all natural, and not expensive and work wonderfully on my hair." Chris G. ●●●

"Let me tell you that my results from using the laser comb have been great my hair looks great. A lot of people are noticing now. This has been one of the best purchases I've made in years. Wow I can't believe it." Mary L. ●●●

"My hair appears thicker and stronger than any time in the past 20 years. My scalp also appears healthier than anytime I can remember. I have concluded that this laser comb WORKS. I have VERY conservative opinions relating to hair products and expectations. This laser comb exceeded my expectations."

"I am writing to sing the praises of the HairMax LaserComb. I first learned of your product a few years ago as I began experiencing female thinning hair. The HairMax LaserComb has been a Godsend, as it has kept my hair shiny, helped with new hair growth and appears to have even thickened it. All I can say is thanks for making such a great product available and affordable for personal use."
