Other Ingredients: Dextrose

† Certified Organically Grown. Contains 70% Organic Ingredients.

NOTICE: This supplement should be taken with at least a full glass of liquid. Taking this product without enough liquid may cause choking. Do not take this product if you have difficulty swallowing. If you experience chest pain, vomiting, or difficulty in swallowing or breathing, after taking this product, seek immediate medical attention. CAUTION: Taking this product without enough liquid may lead to constipation. Do not take in the presence of bowel obstruction.

If pregnant or nursing, take Toxin Absorber only once a day before bed and at least three hours after a meal to assure no interference with the absorption of nutritional intake. Take all other drugs or supplements one hour before taking Toxin Absorber to assure their proper absorption. Because of the Ginger root, consult your healthcare provider before using, if you have gallstones, peptic ulcers, or take anticoagulant or antiplatelet drugs.

Blood & Skin Rejuvenator™

Serving Size: 90 drops (~3ml)
Servings Per Container: 19

Amount Per Serving	% DV*
Proprietary blend	90 drops (~3 ml)
Oregon Grape (root)	**

Stinging Nettles (leaf)†	**
Burdock (root)†	**
Yellow Dock (root)	**
Hawthorn (berry)†	**
Butcher's Broom (root)	**
Chlorella	**
Kelp (thallus)†	**
Bee Pollen	**
Southern Prickly Ash (bark)	**

** Daily Value (DV) not established

Other Ingredients

Distilled water, organic grain alcohol† (30% by volume) and vegetable glycerin.

Extract weight-to-volume ratio: (g/ml): 1:3 † Certified Organically Grown. Contains 39% Organic Ingredients.

CAUTION: Do not take if pregnant, nursing.

Hawthorn berry may increase the effect of heart medications; especially digitalis. Consult your healthcare provider before using. Kelp is not recommended in hyperthyroidism. Oregon Grape root is contra-indicated for newborns with neonatal jaundice. Yellow dock root contains oxylates; those with a history of kidney stones should use this herb cautiously.

Small Para Cleanser™

Serving Size: 90 drops (~3 ml)
Servings Per Container: 19

	Amount Per Serving	% DV*
Proprietary blend	90 drops (~3 ml)

** Daily Value not established

Other Ingredients

Distilled water, organic grain alcohol† (30% by volume) and vegetable glycerin.

Extract weight-to-volume ratio: (g/ml): 1:3 † Certified Organically Grown. Contains 7% Organic Ingredients.

CAUTION: Do not take if pregnant, nursing or under 3 years of age. Do not exceed recommended dosage. Not for long term use. Consult your healthcare provider if taking prescription drugs. Cat's Claw bark should not be used by anyone undergoing skin grafts or organ transplant, hemophiliacs prescribed fresh blood plasma, simultaneous intake of immunosuppressive agents, certain vaccines, intravenous hyperimmunoglobulin therapy or thymic extracts, hormone therapies with protein-based animal hormones or animal insulin. Licorice root has a glycyrrhizin content of 2 milligrams or less per 3 ml dose. Taking amounts of 100 milligrams/day or less have been found free of adverse effects. As a precaution, those with diabetes, high blood pressure, hypokalemia, heart, kidney, or liver disease, or taking heart medications, should ask their healthcare provider if this low level of glycyrrhizin in the Licorice root is safe for them to take.

Other Ingredients

Vegetarian capsule composed of vegetable cellulose and purified water.
† Certified Organically Grown. Contains 43% Organic Ingredients.
NOTICE: This product contains Cape Aloe, Aloe Vera, Cascara Sagrada, and Chinese Rhubarb. Read and follow directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Cape Aloe, Aloe Vera, Cascara Sagrada and Chinese Rhubarb may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or if you have a medical condition.
CAUTION: Do not use if you are pregnant or nursing.
Do not exceed recommended dosage. Not for long term use. Because of the Ginger root, consult your healthcare provider before using, if you have gallstones, peptic ulcers, or take anticoagulant or antiplatelet drugs. The Licorice root has a glycyrrhizin content of less than 1 milligram per capsule. Taking amounts of 100 milligrams/day or less have been found free of adverse effects. As a **precaution**, those with diabetes, high blood pressure, hypokalemia, heart, kidney, or liver disease, or taking heart medications, should ask their healthcare provider if this low level of glycyrrhizin in the Licorice root is safe for them to take.

Kidney & Bladder Rejuvenator™

Serving Size: 90 drops (~3ml)
Servings Per Container: 19

Amount Per Serving	% DV*

** Daily Value (DV) not established

Other Ingredients

Distilled water, organic grain alcohol† (30% by volume) and vegetable glycerin.
Extract weight-to-volume ratio: (g/ml): 1:4 † Certified Organically Grown. Contains 40% Organic Ingredients.
CAUTION: Do not take if pregnant, nursing.
Those who are allergic to Goldenrod or Linden flowers should not take this formula. Goldenrod may effect chronic kidney disease. Parsley root may irritate inflammatory kidney disease. Red Clover blossoms may increase the effect of anticoagulant drugs or estrogen replacement therapy. Consult your healthcare practitioner before using. Licorice root has a glycyrrhizin content of 1.5 milligram or less per 3 ml dose. Taking amounts of 100 milligrams/day or less have been found free of adverse effects. As a **precaution**, those with diabetes, high blood pressure, hypokalemia, heart, kidney, or liver disease, or taking heart medications, should ask their healthcare practitioner if this low level of glycyrrhizin in the Licorice root is safe for them to take.

Liver & Gallbladder Rejuvenator™

Serving Size: 2 Capsules
Servings Per Container: 45

Amount Per Serving	% DV*
