

Elektra.
MAGNESIUM

Nutrition Via Skin™ feels sooooo good! **PRODUCT SHORT DESCRIPTIONS FOR WEBSITE SHOP (9 Dec 2019)**

'Herbal' Magnesium Cream (mild formula) has a rich buttery finish for those with extra dry, thin or sensitive skin. Gentle enough for children. It provides a comforting skin barrier support with anti-microbial herbal extracts for immune defence. Its base notes are complemented by essential oils of ylang ylang, patchouli and rose geranium. Rich plant oils and butters nurture and protect skin, leaving a silky smooth finish. Use as daily **natural face and body moisturizer, before & after sun skin care, anti-itch cream, deodorant and muscle massage cream**. Add on Elektra Magnesium Oil Spritz if stronger concentration magnesium is required. Made with natural and organic ingredients. **2 teaspoons deliver 300mg elemental magnesium.**

'Sensory Gold' Magnesium Cream (mild formula) has a light blend of essential oils of Magnolia Champaca flower, Sandalwood, Elemi and Petitgrain. Gentle enough for children. It is designed for those with medium to dry skin type and offers a luxurious creamy texture. Rich plant oils and butters nurture and protect skin, leaving a silky smooth finish. Use as daily **natural face and body moisturizer, before & after sun skin care, deodorant and muscle massage cream**. Add on Elektra Magnesium Oil Spritz if stronger concentration magnesium is required. Made with natural and organic ingredients. **2 teaspoons deliver 300mg elemental magnesium.**

'Zest- Citrus' Magnesium Cream (mild formula) has a refreshing soft citrus aroma with essential oils of lemongrass and bergamot. Gentle enough for children. Ideal for combination skin types if you are kind of 'in the middle', this magnesium cream is light and summery, yet with a luxurious and buttery finish. And, insects don't like the naturally occurring citronella in the essential oils. Rich plant oils and butters nurture and protect skin, leaving a silky smooth finish. Use as **daily natural face and body moisturizer, before & after sun skin care, deodorant and muscle massage cream. Also recommended as an anti-acne cream**. Add on Elektra Magnesium Oil Spritz if stronger concentration magnesium is required. Made with natural and organic ingredients. **2 teaspoons deliver 300mg elemental magnesium.**

'Island Spice' Magnesium Cream (mild formula) has a light in texture and scent with delicate geranium essential oil. Gentle enough for children. Fermented natural papaya juice and magnesium supply enzyme support for skin detox, pore smoothing, oil balancing and rejuvenation. Rich plant oils and butters nurture and protect skin, leaving a silky smooth finish. Use as daily **natural face and body moisturizer, before & after sun skin care, deodorant and muscle massage cream. Also recommended as an anti-acne cream**. Add on Elektra Magnesium Oil Spritz if stronger concentration magnesium is required. Made with natural and organic ingredients. **2 teaspoons deliver 300mg elemental magnesium.**

Elektra Magnesium CHARGE Lotion (medium formula) is great for active people on the go... It is half way between Magnesium Cream and Magnesium Oil Spritz for those that exercise harder or just need extra muscle support. High in antioxidants, with plant extracts of Kakadu plum, Quandong and Davidson plum, as well as Lemon scented tea tree oil, which also provides anti-bacterial support. It glides on easily and absorbs well. Apply extra Magnesium Oil Spritz if stronger concentration magnesium is required. Made with natural and organic ingredients. A convenient **all-in-one moisturizer, massage lotion, deodorant and magnesium supplement...** Smells like fresh lemons. **One teaspoon delivers 300mg elemental magnesium.**

Elektra Magnesium Oil Spritz (strong formula) has a pleasant mandarin essential oil fragrance and can be used in **massage to relax tight muscles and joints**. It glides on easily and absorbs well. This body spray offers potent high concentration magnesium chloride plus botanical ingredients to enhance absorption, avoiding the sticky irritating residue of just pure magnesium oil. It is not a moisturizer or skin conditioner like Elektra Magnesium Cream or Charge Lotion, however it delivers high concentration magnesium where required in massage to relieve muscle and joint tension. Combine with Elektra Magnesium Cream or Charge Lotion if skin is dry. Great for loosening things up! Made with natural and organic ingredients. **Six sprays deliver approx. 300mg of elemental magnesium.**

Elektra Magnesium Flakes

Magnesium Chloride Hexahydrate FOOD GRADE – “The King of the Minerals...”

(98% $MgCl_2 \cdot 6H_2O$, min 46% $MgCl_2$).

- Food-grade quality magnesium chloride salt flakes with sea trace minerals - can be used for remineralising filtered drinking water, mouthwash, as well as detox bathing and footsoaking.
- Naturally evaporated magnesium chloride salt from pristine region 3,000m above sea level in the Tibetan Plateau (not near populations, mining or agri-industry).
- Laboratory tested in Australia (at ppb, no mercury nor lead detected).
- Contains approx 16% elemental magnesium ions (the highest in the range of magnesium chlorides). One pinch of flakes (half of one gram) = 80mg elemental magnesium per litre of filtered drinking water (to simulate natural spring water).
