

## Could This Device Make You Happy Below the Belt?

*-Brand-new male sexual wellness device, Maxhim<sup>®</sup> Penis Extender is clinically-proven to boost male genital satisfaction-*

**8<sup>th</sup> October 2019** – Hull-based health and wellbeing company, Savantini Ltd, expand their range of intimate essentials for men with brand-new male sexual wellness device, Maxhim<sup>®</sup> Penis Extender, to improve and maintain male genital satisfaction.

The at-home device uses the latest in sexual healthcare technology to allow the user to achieve and maintain a desired genitalia length.

The Maxhim<sup>®</sup> Penis Extender takes advantage of the body's natural ability to change and develop under physical influence. If the body becomes exposed to a constant, permanent stretch, the cells in the area begin to divide and multiply, increasing the tissue mass.

It has been previously reported that 45% of men are unsatisfied with their penis size. Not only does this impact on emotional wellbeing, but it also decreases the average amount of sexual activity. A 2017 study from the *Archives of Sexual Behaviour* reports that over 60% of those who were unsatisfied with their genitals also reported far less weekly sexual activity than those who were satisfied.

To increase confidence and sexual wellness, the Maxhim<sup>®</sup> Penis Extender (£84.99) is a safe, drug-free and clinically proven solution.

Made from medical grade hypoallergenic materials, the at-home treatment device increases the length and girth of the penis after just a few weeks of use.

Stephanie Taylor, Managing Director of Savantini Ltd, commented:

*"Savantini Ltd are proud to announce the addition of the Maxhim<sup>®</sup> Penis Extender to our growing Maxhim<sup>®</sup> range. This clinically-proven and effective device can help to boost a man's sexual confidence – helping him to regain his sex life!"*

*Breaking the taboo around male sexual health is key with this product. Dissatisfaction with our bodies is extremely common and becomes even more prominent with age.*

*For improved physical, sexual and mental health, Maxhim® is here to give you a boost!"*
